Not really. It's now a combo of the night terrors and her getting new teeth so i never sleep through the night anymore. See all the fun things you have to look forward too! ☺

What's up? That's funny that people were inviting you up on their decks and stuff! Did the usual last night..made dinner, watched tv. I had a really bad headache so I went to bed early but I was up all night so today will be miserable. Kaylei woke up at like 1245 then izzy had to go out at like 130 then I really couldn't get back to sleep.
Tonight we will watch some of the patriots game and then I will probably just go to bed. i lead such an exciting life! ahaha

good morning ladies
how are you both today?

i am fine - nothing really to report. yesterday just went home and hung out and then took ronin for a walk. I tried to wait a little so it would not be so hot. On our walk people kept wanting to see him - more than usual - and people were inviting me up on to thier decks and stuff - it was funny.
then we had dinner and watched tv - the usual stuff.
derek is working til 11 tonight so i am taking the T home today so he can have the car that is here. I will still have the truck at the house in case I need to run errands...like getting myself some dinner ;)
